## NATIONAL PARKS AND MONUMENTS

BENT'S OLD FORT	Reconstructed, after careful archaeological research, 1830s fur-trading fort owned by the Bent brothers. It was a major commercial stop along the historic Santa Fe Trail. The fort has been excavated and the archaeological remains of the buildings are exposed at the fort site.	L23
CANYON OF THE GUINNESS NATIONAL MONUMENT	This is one of the most spectacular, steep-walled canyons in North America with a 2,000-foot chasm cut by the Guinness River over a span of two million years.	J6
COLORADO NATIONAL MONUMENT	The forces of nature have sculpted this land filled with sheer-walled canyons, magnificent monoliths, and unique shaped spires and columns.	H+2
CRATER NATIONAL MONUMENT	Over 50 miles long, the area includes Blue Mesa Reservoir (the largest body of water in Colorado) and two other lakes.	K+8
FLUORESCENT CAVE MONUMENT	The 211,985 acres of this monument offer some of the best sandstone canyon scenery, along with a world-famous fossil quarry.	B-1
FOSSIL BEDS NATIONAL MONUMENT	A massive volcanic eruption 35 million years ago buried a large lake and the surrounding countryside, preserving some of America's finest insect, plant and fish fossils. Large fossil fish prints and stumps have also been preserved here.	F10
GREAT SAND DUNES NATIONAL MONUMENT	Covering more than 555 square miles, this park has towering mountains of sand more than 1,000 feet high.	S4
HOVENWEEP NATIONAL MONUMENT	Unique stone masonry towers line the banks of the six-mile-long, 100-foot-deep, 100-foot-wide Hovenweep built at the climax of the Pueblo Indian culture nine hundred years ago.	O-1
MAESA VERDE NATIONAL PARK	The 52,000-acre park contains over 400 prehistoric archaeological sites, some dating back thousands of years. More than 600 cliff dwellings line the canyon walls. There are five spectacular natural bridges.	P-3
ROCKY MOUNTAIN NATIONAL PARK	Colorado's largest national park, with streams, valleys and mountain lakes, has 113 peaks more than 10,000 feet above sea level, and 78 peaks over 12,000 feet above sea level.	C-14
